SPECILIZATION: Advanced Bioprocesses	Marks ⁽¹⁾	Status after catching up ⁽²⁾	Validated ECTS
938 Agro-based resources & wood: character. & management	12,75		11
938.1 Management of Agro- and wood resources	15,69		
938.2 Agro-based and wood resources	9,80		
939 Biorefinery: new trends and technologies	11,50		6
939.1 Biorefinery for bio-based products	12,00		
939.2 Biorefinery for energy	11,00		
941 Advanced bioprocesses	14,14		13
941.1 Enzymatic conversions	14,00		
941.2 Microbial conversions	13,30		
941.3 Plant biotechnology	16,25		
941.4 Bioseparation	13,00		
942 Advanced chemical processes	N/A		/
942.1 Thermal and chemical dry conversion (energy)	N/A		
942.2 Bioresource pretreatments	N/A		
942.3 Processes for chemical modifications	N/A		
942.4 Process bio-based polymers	N/A		

(1): module grade and block average (in bold) are given out of 20, EXE= grade acquired in an external course ABI : absence

(2): the remedial grade is only used to correct course defects (note<6 or block average <10 or grade point average <10).

Status of the module after catch-up: CV= validated (grade ≥6), F: not validated (grade<6), C: catch-up to correct the average,

Status of the block after catch-up: Valid= validated (average ≥10), Failed: not validated (average <10)

N/A= Not concerned

MOYENNE GENERALE: 12,79 / 20	RANK : 6 / 12	VALIDATED ECTS: 30 / 30
