

Letter of Recommendation

Dear Aiganym Abilseiitkyzy as a member of the “The Republican Parents’ Union of children with special health needs” for the past 3 months in the 2023 year, we have been amazed by her creative problem-solving skills and willingness to do whatever it takes to help the children and the organization itself.

As a volunteer, Aiganym Abilseiitkyzy is a savvy and experienced individual who includes everything. In addition, we must say that his/her positive attitude to life makes it much easier to work with him/her even in difficult periods for the team.

Million thanks and all the best, Aiganym Abilseiitkyzy.
