25 May 2016

TO WHOM IT MAY CONCERN

I am hereby certifying that Natalya Merkulova has been a visitor academic researcher at Royal Holloway, University of London from December 20, 2015 to May 25, 2016.

During her visit, Natalya Merkulova has performed investigations on low power THz radiation generation, transportation and detection, as a part of our joint research activity.

Yours Sincerely,

Dr. Pavel Karatev
