LETTER OF RECOMMENDATION

Akhmetzhan Kairdy has been working in our association as a member since 2021. His commitment and dedication have helped this young organization position itself as one of the key factors of promotion and development of sport management. His role in sport events and coordination of volunteers has on numerous occasions demonstrated his ambition, expertise and excellence in the field of sport management. We put particular emphasis on Akhmet's independence and resourcefulness in a foreign country where he lives, studies, and works on his own although he is just 18.

This letter of recommendation and support by all members of the Management Board of HASM serves to demonstrate that, because of his commitment, knowledge and experience, Akhmetzhan Kairdy is the ideal candidate.

PISMO PREPORUKE

Akhmetzhan Kairdy kao član Hrvatske asocijacije za sportski menadžment radi u našoj udruzi od 2021. godine. Svojim zalaganjem i predanošću poslu omogućio je da se ova mlada organizacija pozicionira kao jedan od ključnih faktora promocije i razvoja sportskog menadžmenta. Njegova uloga u radu na sportskim eventima i koordinaciji volontera više puta je dokazala njegovu ambiciju za usavršavanjem te stručnost i izvrsnost na području sportskog menadžmenta. Posebnu pažnju ukazujemo na Akhmetovu samostalnost i snalažljivost u drugoj zemlji u kojoj samostalno živi, studira i radi sa svojih 18 godina.

Ovom preporukom i podrškom svih članova Uprave HASM-a htjeli bi naglasiti kako je Akhmetzhan Kairdy svojim zalaganjem, znanjem i iskustvom idealan kandidat.
